

Lebanon Township Athletic Association (LTAA) **2022-2023 Sponsorship Program**

January 2023

Dear fellow community members,

The Lebanon Township Athletic Association (LTAA) is excited to announce the kickoff of our 2022-2023 youth sports year sponsorship campaign.

LTAA is an all-volunteer recreational youth sports organization that offers soccer, field hockey, basketball, softball and baseball programs to children in grades K-8 within the Voorhees High School community. Last year we had more than 500 children participate in our programs.

As a recognized 501c3, non-profit organization, LTAA relies on local sponsorships to maintain the viability and success of our programs. The LTAA sponsorship program runs from January - December, which means you will benefit from year-round exposure across all LTAA sports. Donations are 100% tax-deductible.

We have enclosed additional details on our sponsorship program. With an email list of more than 1200, unique addresses, LTAA sponsorship offers your organization broad visibility and the opportunity to be recognized for supporting youth sports in our community.

Participation in the 2022 -2023 sponsorship program is easy and would be greatly appreciated. Simply pay electronically using the 'Donate Now' button located on the upper right-hand side of our website <https://www.ltaanj.org/> or mail a check to: P.O. Box 27, Califon, NJ 07830.

To begin your sponsorship experience with us, please follow this link to provide us with your information, website and social media links and your logo. <https://tinyurl.com/LTAASponsorshipForm>. If you have any questions or would like to discuss sponsorship opportunities in greater depth, please feel free to contact me. Thank you for your consideration.
