

Soccer Centers 2023 High School Summer League

This opportunity is for boys entering grades 10-12 only (Fall 2023).

Playing competitive games this summer will be a great way for our players to prepare for the upcoming fall season and maintain their skill levels and fitness throughout the summer. Please keep in mind this is not a mandatory league for any player. Our Voorhees high school coaching staff will be coaching the players during each game. A team roster can only be a maximum of 16 players. This means that we will only be signing up 32 players, which will be on a first come, first serve basis. The first 32 players to sign up will be divided into two separate teams, both being coached by Coach Barbieri, Coach Schafer, Coach Burdge and Coach Tucker. This is a very competitive league that will have many teams from our area; Somerset, Middlesex, and Morris county schools.

**Please be aware that if we have more than 16 players registered we will be entering two teams into the league. Therefore, players will be assigned to either Team A or Team B (Voorhees Red/Voorhees Gold). In no way does your placement in either Team A or Team B have any indication on where you stand in the program. All players must still participate in try-outs. We will attempt to keep players together based off of last season's rosters. However, these will not be exact since we have lost seniors to graduation, so the make-up will depend on who registers to participate. Exception: There may be games where players are needed for a night to play for the team they are not registered to. In this case, we are only permitted to bring 2 players from the other team for that game.

This is a great opportunity for our players to develop over the summer, both individually and as a unit.
